If You Have Acne (Blackheads, Pimples, Cysts)

This Doctor Makes House Calls!

No one dies from Acne.

But sometimes you wish you could.

You catch sight of yourself in a mirror or maybe reflected in a store window. And it makes you sick.

Those feverish blotches. Pus-filled pimples. Dirty blackheads.

You think: How could anyone love someone who looks like that? And you've tried everything.

Everything? Not quite.

You haven't tried the one thing that must work—or it doesn't cost you a dime.

Acne is a serious disease. Even if it does "go away by itself," it can leave disfiguring scars. "Ice-pick" or ridged scars that even surgery (dermabrasion) won't always remove.

And because Acne is a serious disease, it requires serious treatment. Prompt. Professional.

And that's *exactly* what the American Dermatology Company—and its Director, Edward B. Frankel, M.D.—offer you.

A *professionally* selected program for treating Acne. In Dr. Frankel's qualified medical opinion there is nothing more *effective* available for home treatment!

In fact, Dr. Frankel (who is himself a Dermatologist*) makes this recommendation:

Your skin condition must show *immediate—and continuing*—improvement. Otherwise, return the unused medication for a prompt refund—and make an appointment with a Dermatologist in your area.

To the Dermatologist, "Acne" actually involves a number of abnormal skin conditions. These may show up individually or in combination. *Proper* treatment is *specific*. Under-treatment will not clear the condition. Over-treatment is a waste of money and may actually aggravate it.

To help Dr. Frankel recommend the program *specifically* designed for you, decide which code letter most accurately describes your condition:

- ☐ A—Oily skin (which can lead to Acne)
- ☐ B—Blackheads
- ☐ C—Blackheads and pimples
- ☐ D—Blackheads, pimples, and cysts ("bumps")
- ☐ E—Pimples
- ☐ F—Pimples and cysts ("bumps")

In the coupon, check the appropriate code letter and include the price indicated. You'll be taking an important step toward a clear, glowing complexion!

©1972, M.W.P. Dist.

*As you probably know, a Dermatologist is a medical doctor who, after successfully completing his M.D. course and serving an internship, then spends another 3 years as a "Resident," specializing in the treatment of skin disorders.

A.B.C., Dept. 41C
Attn: Dr. Edward B. Frankel, Director

Please rush me your Professionally Selected Program. Everything I need to use, everything I need to know to treat the indicated Acne condition. (Check one)

- ☐ A—$2.50 ☐ B—$3.50 ☐ C—$5.50
- ☐ D—$7.50 ☐ E—$3.50 ☐ F—$4.50

(Please add 50 cents for Postage & Handling!)

I understand that if I'm not completely satisfied with the results, I can return the unused medication within 30 days and get my money back. (But what I really want to get "back" is a smooth, clear, healthy skin!)

Spy-All Lets You "See Through" Walls, Fences and Locked Doors!

Secret of Private Detectives and Industrial Spies Revealed!

A remarkable optical device about half the size of a cigarette now makes it possible for you to see without being seen. People who relax in "privacy" have no way of knowing that you can see everything they do!

Spy-All allows you to secretly observe every action—while you stay safely hidden. Operation of the tiny device is silent, almost impossible to detect. The eye-piece is no bigger than the head of a pin!

If you drilled an ordinary hole through a wall, fence or door, you could see very little. But installation of Spy-All's unique optical principle, called "X-pand," multiplies your field of vision. With X-pand, almost no detail or movement in a room can escape your Spy-All sight! That gives you some idea of Spy-All's powers! But the real surprise is the price: three dollars!

Unlimited Uses:

Spy-All's uses are limited only by your interests and imagination!

Spy-All can penetrate a 3-inch-thick wall in your home, office or factory. The highest fence or thickest door can't stop you from observing—without being observed!

Professional Uses Suggested:

Private and hotel detectives. Insurance investigators. Undercover agents. Security guards. Store owners—watch shoplifting suspects. Employers—get eye-witness proof of loafing or theft. Hospital staff—watch restless patients without disturbing them.

Camera hobbyists can even take pictures through its low-distortion lens! And Spy-All has possibilities that Candid Camera never dreamed of!

Order Spares and Extras!

Order spares so you're never denied sudden or unexpected opportunities. Order extras for trusted friends; they might be glad to pay you a handsome profit.

The Spy-All principle was perfected in Germany. They are now being sold by a special division (Detection Appliances) of a reputable mail order firm, located at 466 North Western Avenue in Los Angeles. Their total sales throughout the U.S. are over $1,000,000. The owner has been a respected local businessman for 19 years.

5-Year Service Guarantee:

Spy-All is sold with this 5-year guarantee: If it fails to work due to any defect, without any charge, D.A. will either repair or replace it—or at its option, refund the purchase price.

ORDER NOW!

LAUGH a LOT

DOG MANNERS

They say that a dog is one of man's best friends. In this case, it was true. In fact, it looked to some people that his dog was his only best and true friend. One day he decided to take a short cut to his home. It looked as though the ice were thick. But he misjudged and landed in the icy waters. Nobody heard his shouts for help. Correction. From the east side of the lake, a dog ran out to him. Grabbed his sleeve and edged him to safety.

There was no collar or identification tag on that dog. He checked with the police. They told him if no body claimed it he could have it. So that is how the dog and the man met. He had plenty of money and enjoyed the good things of life. And when he went out dining to his favorite restaurant, he took his dog with him.

Two places were set at the table. He would even give his dog the menu. Alas, the dog couldn't learn how to manipulate a knife, fork, or spoon. But handled everything with his mouth and paws. Why did he go to that restaurant? He owned a half interest in it. And a lot of people came there to see the man and the dog.

One day a very distinguished man came up to the table and spoke.

"I object very much to seeing a dog at a table. I suggest you take the dog outside. Have somebody feed it there. But not here."

The owner wasn't annoyed. He said something the man couldn't understand. The dog barked five times.

"My dog is very democratic," explained the owner. "I told him how you felt. He informed me he has no objection to you eating here. So return to your table and enjoy the rest of your meal."

DUPLICATE DRESSES

When it comes to clothing, the female of the human species is different than the female of any other creature. Whether below in the waters, on land, or in the air. To all these other creatures there seems to be no understanding given to them that the female can buy clothing in a store. Maybe in the 21st century we will have clothing stores for the fish, the birds, and the animals on land. Then perhaps they will duplicate the creature we call a woman.

If a woman goes to an affair with her husband and sees the duplicate of her dress, something happens to her. She is miserable for the rest of the evening. In this situation Mrs. K looked at Mrs. B who was wearing the same dress.

"I must compliment you," said Mrs. K. "Your cheap copy looks almost like my five hundred dollar original."

So that made Mrs. B miserable and Mrs. K was happy. We even know women who sew labels from expensive dress shops into their cheap bargains to impress their friends - who perhaps use the same trick. In this situation, Mr. X came home to find his wife crying.

"I just learned that Alice bought the same dress I bought. And she is going to wear it to the party. Oh, how terrible. I can't wear my dress."

"What do you want me to do?" asked a puzzled husband.

"Naturally, I must have another dress for that affair and it will be cheaper."

"Cheaper than what?" asked her husband who walked into the trap.

"Cheaper than moving," she smiled sweetly.

P.S.: She got the new dress.

A GOOD DEFENCE

Millions of American motorists have received "tickets" for passing either a red traffic light or the stop sign. And it is a terribly frustrating experience to try to explain to the deaf ears of the traffic officer your excuse: "The light changed so I had to go ahead." "Believe me officer, that stop sign wasn't there last week. If I stopped, the car behind me would have run into me."

And this driver was also stopped by a traffic officer. His excuse was a bit startling: "I did stop. But you didn't see me." So he got his ticket anyway. And then he added, "I will win in court. I will prove not only that I stopped but that you were incapable of judging when I stopped."

This annoyed the officer and a week later his captain sent for him to tell him the news.

"You gave a ticket for not stopping to the most famous trial lawyer in this country. I'm going to court with you. The press will be well represented."

In court the trial lawyer came right to the point of his case:

"I will now demonstrate that this officer cannot tell when a moving object has stopped. In my hand I have a silver dollar. Now I flip it up into the air. Officer, I want you to tell the court just when that coin has stopped going up and then started going down. Remember, when has it stopped?"

And with open mouth and astonished eyes, the officer had to admit he couldn't tell. "My car stopped just like the coin," smiled the lawyer. "And you didn't see it."

IS YOUR HAIR GROWING OR GOING?

Stand in front of a mirror. Take a long hard look at the top of your head. Do you have as much hair as one year ago? Do you see any new hair growth?

If your answer is no, it is important that you take steps today to save the hair you now have. If you act now, you may be able to reverse the trend on your head. You may be able to grow new hair faster than it is falling out. Doesn't that make sense to you? Wouldn't you like to look in the mirror a year from now and see more hair on your head than you see now? Why lose your hair if you don't have to?

CAN YOU SAVE YOUR HAIR?

Every year thousands of men and women go bald — needlessly — because of a scalp infection. This scalp infection is called seborrhea. Doctors say that three germ organisms cause seborrhea: staphyloccocus albus, pityrasporum ovale, and microbacillus. These germs attack the sebacious glands and the hair follicles themselves. If not checked, permanent damage is done. The hair follicles atrophy, lose their ability to produce new hairs. The result: premature baldness.

You can easily tell if you are a victim of seborrhea. If you have itchy scalp, dandruff, hair loss, very dry or oily scalp, the chances are that you have seborrhea. Neglect these symptoms and you invite baldness.

Treat your scalp to Ward's Formula. This amazing scalp medicine quickly controls seborrhea and stops the hair loss it causes.

DOUBLE MONEY BACK GUARANTEE

In seconds, Ward's Formula kills the three parasitic germ organisms retarding normal hair growth. This swift germicidal action has been proven in scientific tests by a world-famous testing laboratory (copy of laboratory report sent on request). Ward's removes infectious dandruff, stops scalp itch; brings hair-nourishing blood to the scalp, tends to normalize very dry or oily scalp. In brief Ward's Formula corrects the ugly symptoms of seborrhea, stops the hair loss it causes. Ward's Formula has been tried by more than 550,000 men and women on our famous Double-Your-Money-Back Guarantee. Only 1.9% of these men and women were not helped by Ward's and asked for their double refund. This is truly an amazing performance.

Why not join the men and women who have successfully ended their troubles? Treat your scalp with Ward's Formula. *Try it at our risk.* In only 10 days you must see and feel the marked improvement in your scalp and hair. Your dandruff must be gone. Your scalp itch must stop. Your hair must look thicker, more attractive, and alive. Your excessive hair loss must stop. You must be completely satisfied — in only 10 days — with the improved condition of your scalp and hair, or simply return the unused portion for Double Your Money Back. So why delay? Delay may cost your hair.

Here's the Proof!

I must admit I didn't have much faith in it, but I hadn't been using Ward's one week before I could see it was helping me. I could feel my hair getting thicker.
E. K., Cleveland, Ohio

Out of all the Hair Experts I went to, I've gotten the most help from one bottle of Ward's Formula.
C. La M., Philadelphia, Pa.

After using Ward's for only 12 days, my hair has stopped falling out.
R. W. C., Cicero, Ill.

I am tickled to death with the results. In just two weeks' time no dandruff!
W. T. W., Portola, Cal.

I feel encouraged to say that the infuriating scalp itch which has bothered me for 5 years is now gone.
J. M. K., Columbus, Ohio

Male pattern baldness is the cause of the great majority of cases of baldness and excessive hair loss, for which neither the Ward treatment nor any other treatment is effective.

Doctors and hospitals can obtain professional samples of Ward's Formula on written request.

H. H. Ward & Co., Inc. Dept.14636
19 West 44 Street, New York, N. Y. 10036

Rush Ward's Formula to me at once. I must be completely satisfied in only 10 days or you GUARANTEE refund of DOUBLE MY MONEY BACK upon return of bottle and unused portion.

A MESSAGE FOR DADDIES

Get yourself a good, thorough examination once a year. Once a year, let your doctor really look you over. It'll take a little time, and a little patience. And maybe he'll poke around a little more than you'd really like. And so he should.

The whole idea is to keep you healthy. If nothing's wrong (and more than likely, there isn't) hooray! Come back next year. But if anything's suspicious, then you've gained the most important thing of all: time.

We can save 1 out of 2 persons when cancer is caught in time, caught early. That's a good thing to know. All Daddies should know how to take care of themselves so that they can have the fun of taking care of their kids. Don't be afraid. It's what you don't know that can hurt you.

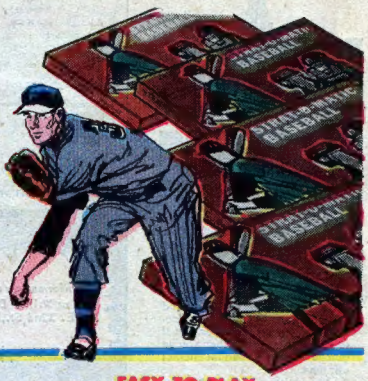
FREE CATALOG WITH EVERY ORDER!

YOU can manage in the Majors with STRAT-O-MATIC Baseball.



As a STRAT-O-MATIC Major League Manager, you'll make the actual game-deciding moves Houk, Hodges, Alston, Weaver and Murtaugh make. You'll decide when to pinch-hit, play the infield in, change pitchers, signal for hit-and-run, bunt or hit away. Only STRAT-O-MATIC BASEBALL brings you so realistically face-to-face with the decisions a Big League Manager makes on the playing fields.

You're always arguing with that guy down the block about who can manage a Big League team better. Well now you can settle that argument under as close to real game conditions as you can find this side of a Major League dugout. And have great fun doing it playing STRAT-O-MATIC Baseball, the real-to-life game that uses actual big league players according to their proven abilities. It's strictly up to YOU to manage your players — to pull them together under your leadership into the most powerful team possible.

You know your baseball. What to expect from clutch-hitting Roberto Clemente with men on base. How to pitch to Willie Mays with Willie McCovey on deck. How the good control pitchers like Fergy Jenkins seem to get stronger in the late innings while "wild men" like Nolan Ryan tire. In STRAT-O-MATIC its up to you to get the most out of your players.

DO THINGS YOUR WAY

As you watch a game on TV, aren't there times when you disagree with the manager's decision? When you'd hold Tom Seaver back an extra day to match the Cardinal's Ace, Bob Gibson. Well STRAT-O-MATIC is your chance to play Big League baseball YOUR way.

As a STRAT-O-MATIC Manager, if you make the right decisions, you're going to win. That's because we've taken every possible statistic on 480 Big League players and put them into a computer. All this vital information is brought together on an individual performance card for EACH player. In STRAT-O-MATIC, a player performs as he does on the field. Brooks Robinson makes those incredible plays at third. Frank Howard hits them out of sight.

EASY-TO-PLAY

Sounds complicated? It's not. The computer does all the hard figuring. Playing STRAT-O-MATIC is easy. It's only the decisions that are hard. Should you hit and run with Boog Powell at bat. It reduces the chances of a groundball Double Play. But you take a chance on the free-swinging Powell taking a whiff as the runner is cut down at second. It's YOUR decision in STRAT-O-MATIC.

STRAT-O-MATIC Baseball begins when you make up your lineup. Would you go with Manager Spanky Anderson's day-to-day lineup for Cincinnati? Or would you slot Pete Rose in the important third place in the order rather than as lead-off? When, as Yankee Manager, is it time to yank Stan Bahnsen? Do you bring in McDaniel or Aker?

PLAY YOUR DREAM GAMES

Manage STRAT-O-MATIC against all the kids in the neighborhood. Play actual American and National League schedules. Play your inter-league "dream games" — Vida Blue on the mound for Oakland against the Mets with Tom Seaver. You can even pick your own ALL-STAR teams and manage them in a 7-game "World Series" rather than the inconclusive single game.

If you like Big League Baseball, you'll love STRAT-O-MATIC. And just playing it will help you to become a "headier" player yourself. Fill in the coupon and we'll mail you a colorful brochure explaining STRAT-O-MATIC BASEBALL in detail. It's free and includes free samples.
